

Rani Rajpurohit

Product Designer & Design Engineer

📍 Mumbai, India ✉️ rajpurohitrani004@gmail.com 🔗 github.com/Rani-s123 🌐 [Portfolio Website](#)

A Product Designer and Design Engineer bridging the gap between beautiful design and working code. Experienced in designing and shipping products with custom design systems, high-fidelity prototypes, and robust frontend architectures.

EXPERIENCE

Frontend Developer & UI/UX Designer | *Faclon Labs*

Nov 2024 – Present

- Designed & built IOsense IoT dashboard (Figma → React/Next.js) for 10,000+ monthly active users.
- Conducted 15+ user interviews & usability testing sessions with enterprise stakeholders.
- Built 20-component Figma library aligned with design system principles; migrated to Storybook.
- Resolved 15+ critical UI/UX production bugs — improved task completion rate by 35%.
- Wrote design-to-code handoff specs, cutting developer context-switching by 40%.

Backend Developer | *Last Moment Tuitions*

Jan 2024 – Jun 2024

- Collaborated on UI design for 12+ APIs handling 50,000+ daily requests.
- Built responsive, accessible frontends meeting WCAG 2.1 AA standards.
- Implemented real-time analytics dashboard — improved data visualization clarity by 50%.

SELECTED PROJECTS

TravelWonder — Inspiration-First Discovery

- Redesigned travel discovery from a transaction-first model to an emotion-led experience with mood-based filters and 360° previews.
- Achieved 100% task success rate and 84.5 SUS score through continuous user testing.

SafeHer — Women Safety App

- Designed a premium mobile app focused on speed and calm under stress, featuring under-3-second SOS alerts and live location sharing.

Dashboard Interfaces (Smart Utility & Factory Digital Twin)

- Developed comprehensive IoT and Factory Digital Twin dashboards focused on clear data visualization and real-time monitoring workflows.

SKILLS

Design: UI/UX Design, Wireframing, Prototyping, User Research, Design Systems, Figma

Development: HTML, CSS, JavaScript, React, Next.js, Git, Storybook

Soft Skills: Problem Solving, User-Centric Thinking, Cross-functional Collaboration
